- Keys and codes need to be provided by the owner for Hotel 4 Hounds to gain entry to collect and drop the dog(s) off.
- A spare copy of the key(s) will be made at the business owners expense and stored in case of an emergency or loss of the original key(s) (Any lost keys will be brought to the owner's attention ASAP, no keys are labelled and cannot be traced back to the address).
- Dogs will be picked up in the morning to allow for all dogs to be collected in time for the booked private field slot.
- All dogs must be well socialized and show no signs of aggression towards other dogs or humans.
- All dogs must be up to date with vaccinations.
- All dogs must be free from any infections or illness that could be passed on to other dogs. The owner must inform Hotel 4 Hounds ASAP. Dogs will only be taken out once cleared by a vet.
- Dogs will be walked as part of a group on a secure private field.
- Dogs will be walked in a quiet area away from roads on an extendable lead if the private secure field is unavailable for any reason.
- All dogs walked must have a tag or collar with the owners contact information on.
- An extra tag will be provided by Hotel 4 Hounds for the dog to wear with the walkers contact information on.
- If any accidents occur the walker will contact the owner and/or the emergency contact straight away.
- Any dog that has any ongoing issues, eg; sore paw, strained leg will not be walked to avoid further damage.
- All dogs play and behaviour is carefully monitored to avoid injury, but scratches, punctures, torn ligaments or other injuries that may occur will be the financial responsibility of the dog owner, this includes any vet fees or costs.
- All walkers are canine first aid trained and will provide any help the dog may need before we can get the dog to the vets. Depending on the emergency the most local vets may be used and not the owner's usual vets. This is for the best interest of the dog.
- If the dog runs away or goes missing the owner will be contacted straight away. As will the local dog warden. Best efforts will be made to get the dog back. (Searches, phoning local vets and social media).
- Any entire males will be monitored for any sign of domination, if this becomes an issue, we may no longer be able to walk the dog.
- Bitches in season will not be walked.
- Walking duration is for 1 hour on the private field, depending on the number of dogs going out on the day the collection and drop off time may be an hour or two either side.
- All dogs will be cleaned and dried to the best of our availability before returning home.
- Pictures and Video may occasionally be sent to the owner to update them on their dog's day, however it is not always possible as priority is the safety and welfare of the dogs.
- Dogs will be dropped back and fresh water will be provided.
- A "home safe and sound" message will be sent once your dog has been dropped off.
- We will provide the owner with our holiday dates with plenty of notice to find a replacement or cover for the period.
- If any personal emergencies arise we will contact the owner straight away.

- Hotel 4 Hounds has the right to stop walking any dog at any time.

I give my permission for my dog to be walked off the lead in a secure private field as part of a group walk.
